Holiday Skip-A-Payment is Back!

The holiday season is just around the corner and Five County knows that a little extra money can go a long way. That's why we are offering Skip-A-Payment to help with your holiday budget! Skip your December or January loan payments and use those funds to help make your holidays more enjoyable. Use your loan payment funds for gifts, travel or home heating for this winter season. The choice is yours! To participate in this year's program, a \$30.00 processing fee (per loan) is required.

The fee may be returned with your Skip-A-Payment coupon or deducted directly from your account. A portion of your processing fee will benefit the Barbara Bush Children's Hospital. Please remember that when you skip a loan payment interest will continue to accrue daily during the month that your payment is skipped and your loan will be extended beyond its scheduled payoff date. You may Skip-A-Payment on more than one loan with Five County Credit Union, but this offer does not apply to first or second mortgages (including home equity accounts).

You can Skip-A-Payment on your Visa Credit Card. You must be a member in good standing to participate and all loan payments must be up-to-date in order to take advantage of this program. Simply complete the attached form and return it to any of our credit union locations. Be sure to indicate which loans you would like to include. If you need more information or have any questions, please contact the credit union for details. Skip-A-Payment requests are due prior to the loan payment due date you intend to skip.

Look at the Difference You've Made!

We've had a lot of success with our fundraising efforts this year and we want to thank our staff, community, and members as it would not be possible without you.

We have been focusing our efforts on the Maine Credit Unions' Campaign for Ending Hunger. Since 1990, the Campaign has contributed over \$12 million to help end hunger in the state of Maine and 100% of all funds raised through the Campaign support organizations fighting food insecurity in Maine.

In September, we were able to make donations to two local food pantries. The first donation was a \$4,500 donation to the Good Shepherd Food Bank who works to eliminate hunger in Maine and serves over 140,000 individuals every year. The second was a \$1,000 donation to Lisbon Area Christian Outreach - a non-profit organization founded in 1985 from the efforts of several area churches that helps families and individuals in the Lisbon, Durham, and Bowdoin communities with their food needs.

In October, we had an extremely successful Spirit Week Food Drive that brought in an enormous amount of non-perishable goods for local food pantries. We hope you all enjoyed seeing our goofy and creative outfits on social media. While our main efforts were focused on the Campaign for Ending Hunger, we had fun volunteering and participating in many exciting and local events. This includes a volunteer group that helped with various events at the Common Ground Country Fair, participating in the Inaugural Biggest Little Golf Tournament for Special Olympics Maine (this event raised over \$3,500), and the Cumberland County FCU Bag Toss Tournament.

In late October, tragedy struck our communities, and eighteen beautiful souls were lost. Our hearts and condolences go out to the victim's families and friends. In response, we made a donation to "Feed the First" - a fundraiser launched by the Norm Molette chapter of Credit Unions through the Campaign for Ending Hunger that was coordinated in partnership with the Lewiston-Auburn Metropolitan Chamber of Commerce Foundation to help provide meals to first responders and others in need in the greater Lewiston area. In three weeks, the fundraiser raised nearly \$36,000. This is an incredible amount and an amazing representation of the credit union philosophy of people helping people.

Thank you to all of you who make supporting our communities possible. To stay in-the-know about upcoming branch raffles and giveaways for our charities, follow our Facebook and Instagram pages!

Financial Wellness with Hillary

This new year, you don't have to "resolve" to make changes. Just take some simple steps. Think of January 1st as a reset. The beginning of a new chapter. Things are not going to miraculously change or wipe out on that day but we can take simple steps to improve our financial health.

- Create an honest budget or review your current one.
 - Now is the time to take stock of what you have coming in and going out. The holidays are over, so rein in your spending and pay down debt or increase your savings.
- Review your Emergency Savings or start one.
- Review your debt. Is there a way to pay it down some? Consolidate?
- Start meal planning and grocery shopping by what is on sale that week.
 - This can save you time, money, and keep you away from fast food.
- Review your streaming and subscription services. Are you really using them all? Enough to justify the cost?
- Review your phone/internet plans, see if there is a cheaper option that will work for you. Many plans also offer packages with streaming services included. Make sure you review all of your perks!
